

**THE SARAH JANE
ADVENTURE!**

2 INT. NEW THEATRE AUDITORIUM -- DAY 2

6 CONTINUED:

6

HARESH (CONT'D)

Gita!

Her eyes are glazed.

GITA

Of course. Now I understand!

HARESH

Understand what?

GITA

I'm one of the first to be Chosen. I accept the Ancient Lights!

(NB Under this scene has been the following:)

TRUEMAN

(on TV)

The ancient lights are shining on you, the first of my children. All you have to do is let go. You'll feel so happy. There's nothing to be afraid of. Life is going to be so much easier for you. So much easier for everyone. You don't have to make any effort as you listen to my words. Just relax and let the ancient lights flow inside your mind as you start to accept their power.

CUT TO:

7 INT. THEATER AUDITORIUM -- DAY 2

7

CLOSE on TRUEMAN, straight to camera.

TRUEMAN

Walk out, my children. Leave your homes. Gather together. Find your brothers and sisters. Take their hands.

(CONTINUED)

SARAH JANE

Clyde! You can reject it. I know you. You say you're a part of my gang. I never saw it quite like that, but perhaps you're right. We are a gang, a team, we rely on each other. We would never hurt each other.

Clyde looks down at her - his eyes flicker.

Is Sarah Jane getting through?

Sarah Jane inches forward.

CLYDE

Stay back!

He raises his hands, pointing upwards -

FX SHOT: Red bolts of energy shoot from Clyde's hands into the air. Like warning shots.

PRAC dust falls from the attic roof.

Clyde brings his hands down.

CLYDE (CONT'D)

You've been warned, Sarah Jane. I will destroy you.

LUKE

Mum?

SARAH JANE

I'm fine. Rani? You all right?

RANI

I think so.

SARAH JANE

(to Clyde)

You've got orders from Trueman to deal with me. Yes?

CLYDE

You understand that at last?

SARAH JANE

Then you can let Rani and Luke go.

She takes Rani's hand, manouvres her towards the door.

RANI

What? Sarah Jane, I'm not going!

(CONTINUED)

SARAH JANE

Oh yes you are! Now!

She pushes Rani forward.

Clyde eyes Rani suspiciously. Then nods.

CLYDE

She may pass.

RANI

I'll get help!

With a last look at Sarah Jane, Rani dashes out.

SARAH JANE

Now you, Luke.

LUKE

Mum, I'm not leaving you.

SARAH JANE

It's an order.

Luke approaches Clyde.

LUKE

Clyde. Remember what you said last night. Astrology is rubbish.

CLYDE

I was wrong. I didn't understand then.

LUKE

What did Trueman do to you?

CLYDE

I'm sorry you can't feel the way I do. Yet.

SARAH JANE

Luke. Go!

Suddenly -

MR SMITH

Online. Rebooting.

10 CONTINUED: 10

Gita gestures.

Several NEIGHBOURS are walking from their homes -
jubilant, vacant expressions.

One of them is a teenage boy, JON -

His mum LINDA and dad GEORGE follow him -

GEORGE

Jon, stop playing up! Jon!

CUT TO:

11 **INT. NEW THEATRE AUDITORIUM -- DAY 2** 11

TRUEMAN

Children of Gemini, you are only the
first to join the Ancient Lights.

He indicates the wheel.

CUT TO:

12 **INT. SARAH JANE'S ATTIC -- DAY 2** 12

SARAH JANE, LUKE and CLYDE watching Mr Smith's screen as
before.

TRUEMAN

(on tv)

Already it is time for Cancer to join
the circle!

On the tv, the PRAC red light illuminates Cancer on the
wheel.

TRUEMAN (CONT'D)

Go out, join your Gemini brothers!

LUKE

What's he talking about?

SARAH JANE

Gemini, then Cancer. He's taking over
all the star signs, one by one.

CUT TO:

13 **EXT. SUBURBAN STREET -- DAY 2**

13

GITA has joined JON and the NEIGHBOURS as they walk off down a suburban street.

HARESH and RANI look on in confusion.

GEORGE and LINDA calling to their son.

HARESH
What the hell is going on?

RANI
Mum, come back!

LINDA
Jon, you come back here, stop this now!

FX SHOT: Suddenly - a flash of a red ripple around her -

LINDA (CONT'D)
I accept the Ancient Lights!

GITA
(to Linda)
Come on, let's find a circle!

LINDA
Yes, all together!

Linda joins the converts as they walk on.

GEORGE
(amazed, to Haresh)
What are they doing?

He hurries off after his wife and child.

HARESH
(to Rani, really
worried)
Go back, Rani. Stay inside, don't let
anybody in the house! Promise me!

RANI
(on the spot)
I promise.

Haresh sets off after Gita.

Rani's shock - what can she do now?

CUT TO:

14

INT. SARAH JANE'S ATTIC -- DAY 2

14

As Sc.12.

LUKE

Mum, be careful.

SARAH JANE

I know what I'm doing, Luke.

(to Clyde)

So get out of my way!

She moves to the door -

Clyde raises his hand threateningly -

SARAH JANE (CONT'D)

Can you do it? You have your orders from Trueman. You want to stop me walking out of here? Go ahead. Stop me!

Clyde is conflicted -

Sarah Jane moves to push past him -

And suddenly RANI bursts in; panicked, gabbling.

RANI

Sarah Jane, it's got my mum, loads of people are just walking off!

Clyde is distracted -

That instant, Sarah Jane takes her chance -

She heads for the door -

And Clyde turns, menacing, the hand raised -

SARAH JANE

I know you can't do it.

CLYDE

I - must - stop - you.

LUKE

No! Clyde! Think what you're doing!

CLYDE

You shouldn't have done this, Sarah Jane. You shouldn't have forced me.

He's still smiling - but there are tears in his eyes.

Luke grabs Clyde's shoulder -

Clyde brushes him off -

(CONTINUED)

14 CONTINUED: (2)

14

CLYDE (CONT'D)

I'm sorry.

On Sarah Jane - oh God, she was wrong. This is it.

Then, suddenly -

Clyde gasps, sinks to his knees like a sack of spuds, his head bowed.

Sarah Jane lets out a huge sigh of relief -

Luke puts a protective arm around her.

Beat.

Clyde looks up.

CLYDE (CONT'D)

(normal but shocked)

Whoa! What am I doing again?

SARAH JANE

Clyde! Yes!

CUT TO:

15 **EXT. SUBURBAN STREET -- DAY 2**

15

GITA, LINDA, JON and more and more CONVERTS (as many as we can get) walking -

HARESH, GEORGE and other confused PEOPLE looking on -

HARESH

This is mad! All because of that man on television?

GEORGE

Linda, I'm calling the police!

He gets his phone out.

CUT TO:

16 **INT. SARAH JANE'S ATTIC -- DAY 2**

16

CLYDE, shellshocked, is sat on the sofa. LUKE, RANI and SARAH JANE looking on.

RANI

You sure you're alright?

(CONTINUED)

CLYDE

Lost again. What do you mean?

*
*

SARAH JANE

I forced you to do something you could
never normally do. Your real self
fought against the Ancient Lights, broke
free of that influence.

*
*
*
*
*

CLYDE

Dunno. Didn't feel like that. More
like - it just went. Like I said.
Suddenly I was free.

(snaps fingers)

Let's make the circle here! To protect
Mr Trueman.

CUT TO:

17B **EXT. NEW THEATRE -- DAY 2**

17B

HARESH, GEORGE and LINDA and JON's circle of CONVERTS, as
before.

GEORGE

(to Haresh)

Where are the police, they should be
down here, I -

Suddenly - George freezes.

FX SHOT: The red glow around George flashes -

GEORGE (CONT'D)

I accept the Ancient Lights...

He walks towards the circle -

Jon and Linda unlink their hands -

George takes them -

HARESH

This is insane.

(to George)

I'm going to get help!

(CONTINUED)

He runs off, shaking his head, so confused.

CUT TO:

18 EXT. 13 BANNERMAN ROAD -- DAY 2

18

SARAH JANE, LUKE, RANI and CLYDE hurry from Sarah Jane's house.

RANI

Clyde's your friend, though, Trueman isn't. How can you get through to him?

SARAH JANE

I can try.

RANI

But he's taking over all the signs. How long before he takes all of us over?

LUKE

Wait.

The others stop for a second.

LUKE (CONT'D)

Trueman's broadcast, he must be using it to transmit his energy around the world. So let's stop the transmission!

CLYDE

How? He's got control of the world's tv.

LUKE

Yes. Controlled from the theatre.

RANI

So we cut off the electricity in the theatre? If he hasn't got a camera he can't transmit anything!

Beat.

RANI (CONT'D)

Is that a stupid idea?

SARAH JANE

That is a brilliant idea! Come on!

They get into the car -

CUT TO:

19

INT. NEW THEATRE AUDITORIUM -- DAY 2

19

On the stage, TRUEMAN and CHERYL.

TRUEMAN
(into the camera)
Children of Scorpio, join me!

He indicates the zodiac wheel -

The PRAC red light now illuminates half the wheel.

Suddenly -

GITA and the GEMINIS enter from the back -

TRUEMAN (CONT'D)
The Inner Circle. My first subjects,
the Children of Gemini.

Gita and the Geminis process solemnly down the aisle
towards the stage, blank-eyed -

TRUEMAN (CONT'D)
Don't be afraid. Our lives have been
leading to this moment. We never had
any choice.

He puts an arm around her shoulder.

TRUEMAN (CONT'D)
My life brought me here. All the wasted
years. Leading to this moment. But
somehow I always knew that I was
different. Special.

Gita and the Geminis pass on to the stage -

They form a line at the back of the stage.

TRUEMAN (CONT'D)
Chosen.

CUT TO:

20

EXT. NEW THEATRE -- DAY 2

20

Outside the theatre stand LINDA, GEORGE, JON and the ring
of CONVERTS, hands clasped, fixed smiles, their eyes
turned upwards to the sky.

CUT TO:

20A **EXT. ALLEYWAY/SIDESTREET -- DAY 2**

20A

REVEAL SARAH JANE's car - doors slam shut as SARAH JANE catches up with LUKE, CLYDE and RANI. They start to walk together down the alley, towards the Street.

LUKE

How do we get past them?

RANI

We've got to do something!

CLYDE

I can get us in.

SARAH JANE

No, Clyde.

CLYDE

I'm a Gemini, right? One of Trueman's

CLYDE

Right, I can do this.

RANI

You've got to look sort of dopey.
Blissed out.

Clyde tries it.

RANI (CONT'D)

Too natural. Make it creepy.

CLYDE

Right! Let's roll.

Sarah Jane hesitates.

SARAH JANE

Clyde, you don't have to do this. I can
find another way in.

CLYDE

There isn't another way in.

SARAH JANE

It's too dangerous. If you make one
slip they could blast you down.

CLYDE

If you were in my shoes, you'd do it.

CUT TO:

A moment later. SARAH JANE, LUKE and RANI walk towards
the CONVERTS gathered before the entrance of the theatre.

Behind them - wearing a blank stare, his hand raised to
cover his 'prisoners' - CLYDE.

LUKE

(sotto to Clyde, over
his shoulder)

Your face is wrong. Copy them.

CLYDE

(in character)

Be quiet, boy.

They reach the entrance.

Standing right before the door are LINDA, JON and GEORGE.

(CONTINUED)

LINDA

Have you come to join the circle?

George eyes the others suspiciously.

GEORGE

Why have you brought these people?
They're not among the Chosen.

CLYDE

I am one of Mr Trueman's Inner Circle.
He sent me out to bring these people to
him. They are my prisoners.

Linda stares back at him.

LINDA

But nobody can go in.

She and George unlink their hands from the converts on
either side -

And raise their hands threateningly -

LINDA (CONT'D)

I have orders to stop anybody that
tries.

CLYDE

But you can't harm me. I am one of the
children of Gemini.

LINDA

But they aren't. They are not chosen.
I think you are lying!

She raises her hand -

And Clyde takes a big gamble. He raises his hand to her -
brave, very convincing.

CLYDE

And I am one of the Inner Circle! I
know all the mysteries of the stars.
Mars has entered the Milky Way and Aero
is in conjunction with the Galav8d-0Step
aside!

23 CONTINUED: (2)

23

LINDA
We did not know.

GEORGE
Pass through, quickly!

Sarah Jane, Luke and Rani pass through.

Clyde follows.

CLYDE
May the Ancient Lights shine upon you.

On Clyde as he sighs with relief -

CUT TO:

24 **INT. NEW THEATRE AUDITORIUM -- DAY 2**

24

TRUEMAN, CHERYL, GITA and the GEMINIS.

TRUEMAN
(to camera)
Join me, children of Capricorn!

On the wheel, the PRAC red light swallows Capricorn.

Suddenly Trueman reacts.

TRUEMAN (CONT'D)
There's an intruder. The boy Clyde.
Somewhere here. I don't understand.
This was not destined.

CHERYL
He's one of us.

TRUEMAN
No. There's something wrong. He's
nearby, but I can't reach his mind.

He points forward, towards the lobby.

TRUEMAN (CONT'D)
Quickly. Find him. Bring him to me!

Cheryl nods and hurries off -

CUT TO:

25 **INT. NEW THEATRE LOBBY -- DAY 2**

25

CLYDE, SARAH JANE, LUKE and RANI enter the empty lobby.

(CONTINUED)

25 CONTINUED:

25

CLYDE
Wasn't bad, was I?

SARAH JANE
You were magnificent!

CLYDE
I'm expecting a 'ripple' of applause.

Sarah Jane holds open a side door.

SARAH JANE
Right. You three get backstage. Find
the power supply. Switch it off!

RANI
Right!

Luke and Rani head off through the side door.

But Clyde hangs back.

CLYDE
And you're going to Trueman?

SARAH JANE
I've got to try to reach him. His true
self. Like I did with you.

CLYDE
On your own? No way, Sarah Jane!

They whip round as a door slams -

Suddenly CHERYL is at the door to the auditorium.

Her hand is raised threateningly at them.

CHERYL
Mr Trueman would like to see you Clyde.

She turns to Sarah Jane.

CHERYL (CONT'D)
And I'm sure he'll be delighted to see
you, Miss Smith.

CUT TO:

26 INT. BACKSTAGE CORRIDOR/STAIRS -- DAY 2

26

LUKE and RANI race along - opening doors, searching.

(CONTINUED)

RANI

Come on! He's moving through the zodiac. When he gets to Aries, I'll be taken over!

LUKE

There must be a switching room. It's a public building, health and safety regulations say there has to be an emergency cut-off switch in case of fire or flood.

RANI

How d'you know?

LUKE

It's on a notice board at school. I remember everything I read.

CUT TO:

27

INT. NEW THEATRE AUDITORIUM -- DAY 2

27

CHERYL brings CLYDE and SARAH JANE up the steps on to the stage. TRUEMAN waits there, GITA and the GEMINIS behind him.

The PRAC red light has now swallowed Aquarius on the wheel.

Clyde sees Gita.

CLYDE

Rani's mum!

Sarah Jane holds him back.

SARAH JANE

There's nothing we can do for her.

Trueman blinks, confused, as he looks at Clyde.

TRUEMAN

What happened to you Clyde? My influence is gone. How could you leave my Inner Circle?

CLYDE

I was too strong. I fought it and I got free.

TRUEMAN

That's not possible.

(CONTINUED)

27 CONTINUED:

27

SARAH JANE

I saw it happen.

TRUEMAN

It doesn't matter. Perhaps it was fate you should be here to witness my apotheosis.

CLYDE

Your what?

Clyde steps forward -

Trueman raises his hand.

TRUEMAN

One step further. You know what I can do.

Sarah Jane pulls Clyde back.

TRUEMAN (CONT'D)

Now. Kneel before me!

SARAH JANE

(to Clyde)

Do as he says.

Sarah Jane and Clyde kneel before Trueman.

CUT TO:

27A **INT. NEW THEATRE - LIGHTING ROOM -- DAY 2**

27A

LUKE and RANI push open the door, glance in, but no, no use to them. They head off again on their search.

CUT TO:

27B **INT. NEW THEATRE AUDITORIUM -- DAY 2**

27B

As before, SARAH JANE and CLYDE kneeling before TRUEMAN. CHERYL and the GEMINI CIRCLE on stage as well.

CLYDE

Can I just ask? What are you actually gonna do when you rule the world?

TRUEMAN

The Ancient Lights will use Earth as a starting point. I will teach my people how to use their minds and the power of the stars to go out into space. Until every mind in creation belongs to me.

(CONTINUED)

CLYDE

But why? What do the Ancient Lights get out of bossing people around?

TRUEMAN

Control is the purpose of the Ancient Lights.

SARAH JANE

Trueman, listen to me! There must still be something human inside you. Think of your life before this happened.

TRUEMAN

My life before? Which part of my life? When I was selling vacuum cleaners? When I was rounding up shopping trolleys? When I was cleaning toilets? I was a nobody.

SARAH JANE

And this is your way of becoming a somebody? Yesterday, nobody cared. Today, everybody knows your name. But what do you want to be known for? Enslaving millions of people?

TRUEMAN

(amused)

Do you think that's going to work? Making an appeal to my better nature? Don't you see? The human part of me is loving every moment of this.

SARAH JANE

It's cruel. It's senseless! You're just the puppet of these Ancient Lights.

TRUEMAN

No, Sarah Jane. I am unique. The Ancient Lights have been waiting 13 billion years for me. I was born at exactly the right moment, at exactly the right time. I'm the most important

27B CONTINUED: (2)

27B

SARAH JANE
(to Cheryl)
Listen to him! He's going to make all
of us his slaves.

CHERYL
I want it to happen. The Ancient Lights
are shining.

CUT TO:

27C

INT. NEW THEATRE - REAR OF UPPER CIRCLE -- DAY 2

27C

LUKE and RANI creep along, then stop and we see the next
exchange between TRUEMAN, SARAH JANE, CLYDE, CHERYL and
the GEMINI CIRCLE from their PoV.

TRUEMAN
The conjunction ... It's starting. Form
the Inner Circle!

27D CONTINUED:

27D

CLYDE

(sotto to Sarah Jane)

Our big plan. "Talk him out of it." It didn't work! So that can't be how you got the Ancient Lights out of me.

SARAH JANE

It must be something else. Something we missed.

CLYDE

What was it? What's so special about me?

SARAH JANE

Oh, so many things.

CLYDE

He said we were gonna lose, didn't he? But we can't lose, Sarah Jane. We always win. We're the team, we're the nuts.

Sarah Jane takes his hand.

SARAH JANE

Hold on. The others can still stop this.

The rushing crackling noise roars to a crescendo -

Luke reveals a big lever-like main switch.

LUKE

Yes! Emergency mains switch!

Rani puts her hand out to the lever -

FX SHOT: A red crackle sparks around her fingers -

She pulls her hand back.

LUKE (CONT'D)

It's shielded. He's put a shield around
it!

RANI

No. Mum.

Luke sees the tears in her eyes -

And then suddenly -

She freezes - smiles -

RANI (CONT'D)

I accept the Ancient Lights!

LUKE

Luke turns back to the switch.

Nothing there.

He pulls down the switch.

CUT TO:

35 INT. NEW THEATRE AUDITORIUM -- DAY 2

CLYDE

Yes! The team!

Trueman looks down at them - still smiling.

TRUEMAN

You flicked a switch? Flicked a switch!

He laughs scornfully down at them.

TRUEMAN (CONT'D)

The Ancient Lights survived the big bang, and you think you can stop it by flicking a switch!

Clyde and Sarah Jane - horrified.

RANI enters, blank-eyed.

RANI

I have been chosen.

CLYDE

No. Rani!

TRUEMAN

I only needed the signal to broadcast my instructions. I can find another signal. And right now it doesn't matter. Don't you understand? The zodiac is almost complete.

FX SHOT: The red glow surrounding Trueman glows brighter -

TRUEMAN (CONT'D)

Only the Children of Taurus to claim -

He points to Sarah Jane.

TRUEMAN (CONT'D)

Then even you will know my power, Sarah Jane Smith!

TRUEMAN
Nothing can stop it now!

SARAH JANE
Luke!

A lightbulb moment.

Luke stares at his hand -

FLASHBACK - to Sc.14 - Luke touches Clyde.

To Sc.34 - Luke slams the emergency switch.

LUKE
Of course! I know what happened! It's me!

He takes the hands of Cheryl and the next Convert -

Pulls them apart with ease -

And joins the circle.

FX SHOT: C/U Luke's hands crackling with red energy as he holds Cheryl's.

It's pulsing upwards, going away -

TRUEMAN

How have you done this?

LUKE

I wasn't born. I've got no birthday.

CLYDE

No star sign!

LUKE

So astrology doesn't work on me. The circle was like an electrical circuit. I broke it.

(CONTINUED)

RANI

Like you did before - you touched Clyde,
it shorted the power.

TRUEMAN

(to Luke)

What - are - you?

SARAH JANE

(to Trueman)

He's my son. And he's the centre of *my*
universe.

TRUEMAN

(to Luke)

Everything - everybody is born!

LUKE

I wasn't. And I thought it was a bad
thing. Until now.

SARAH JANE

(to Trueman)

You had everything planned. All mapped
out in the stars. But Luke's got no
stars. No star sign. You never even
knew he was there.

TRUEMAN

It was the only chance. The perfect
conjunction, it's already moving - The
old knowledge of the Ancient Lights,
lost forever -

FX SHOT: The energy crackles around Trueman - zooming up
and away -

TRUEMAN (CONT'D)

- and I am lost without them...

CLYDE

We've gotta help him!

Where Trueman was, the beam reveals - nothing.

SARAH JANE

Even at the end he wouldn't let it go.
He must have wanted it so much.

CLYDE

What happened to him?

SARAH JANE

Perhaps it destroyed him. Or perhaps he
went to join the Ancient Lights.

When they find Martin Trueman I hope they throw the book at him.

GITA

I can't remember a thing about it. What was I doing in the theatre?

RANI

Don't worry about it Mum. It's over, we can go back to normal.

GITA

(to Rani)

I'm sorry love. You must have been worried sick, sat here all on your own.

RANI

I was fine. Come here.

Rani and Gita hug.

GITA

Look at you Rani. Cool as a cucumber.

HARESH

During the following dialogue, Rani reacts - she can't quite believe how quickly her parents have gone back to normal.

GITA

Okay Hareesh, so long as you're not going to attempt macaroni cheese again.

HARESH

What's wrong with my macaroni cheese?

GITA

It's sticky, it's heavy, it should be light.

HARESH

Perhaps you like watery food, other people don't. Rani?

RANI
