<u>T</u> annover ermany resent ay

car pulls into a blan multi storey car park

pulls into a space an gets out of the car e walks roun the si e an pulls on the boot it's slightly loose ike the catch i n't properly take So he looks aroun opens it briefly an slams it own efore he oes we get a glimpse of something insi e lifeless han covere in bl oo orn's han

walks back through the empty streets xhauste forcing himself to put one foot in front of the other

t's the ea of night as finally returns to his house

UY sits on the e ge of her be Toys from charity shops scattere aroun ucy hugs a oll tight as we hear the front oor slam Steps up the stairs n then the heavy soun of locks being turne before the oor opens

n enters the room e looks beyon shattere

ave you been a goo girl

ucy no s half as leep am smiles without warmth is eyes are wie an he's looks like a man on the ege She looks at him as he stan s in the oorway jittery an on e ge

> UΥ ha a night mare

ecause of what you saw

She no s af r ai

> T' ha to protect us UΥ

rom the ba men

R

Yes They want to take you from me you an your ummy That's why we have to be careful 'm the only one who can protect you They're everywhere ucy You know that

UΥ

know beat an you rea me a story

am looks at his watch anxious

ot now a yjust has to finish something

UΥ

What

have to ti y something up Why on't you go back to be Try an get some more sleep

She no s obe iently Then

UY o you promise the ba man's gone

Yes promise e's gone

<u>T ckhausen ermany resent ay</u>

sits at the table a glass of wine in front of her Staring at the rollercoaster picture on her laptop the three girls She stares an stares as if somehow the more she looks at it the more it will reveal The soun of the front oor opening an shutting an moments later S enters emma looks up The way she's sitting Sam can't see the laptop screen

> You're back late ere wante you to see this

She's about to show him the screen but Sam's got other things on his min

cutting him off on't bloo y touch me

emma slams the laptop shut an walks out of the room unable to look at her husban any more

new ays awns over the military barracks U approaches the canteen with a S Rescorting him

V sits on her own ost in thought The place is busy for breakfast an squa ies mill aroun her She's oblivious to any of them Then we see U enter the S R besi e him e approaches ve

V

What o you want

She no s at the solier ismissing him e returns to wait by the front oor ulien sits besi e ve

> U nee your help was hoping to look at rmy personnel files from The units statione out in rag uring the ulf War

V col Those are classifie

U

V

am close lose to un erstaning the truth of what happene with lice an Sophie What if one of the girls is still alive f can just see these recor s

Why

ulien sighs nowing what he says is not going to be popul ar

> U spoke to your father

ve stops eating an fixes ulien with a look er voice is quiet but icy

V

You i what

U Your father an enry Ree committe a crime when they were in raq back in

ΤU V hrist aptiste not this shit agai n U but when talke to him he sai there was a thir person f coul fin out who this thir person was ve grits her teeth oing her best to stay calm V y father can't remember who am from one ay to the next Whatever you think he sai U What harm can it o for me to look V aptiste o You on't accuse 0 my father of killing someone an then ask me for a favour o you

Т

SS

ut ulien is no longer looking at her e's spotte something on the other si e of the room ollowing his gaze

V T'

re you listening

un erstan

ulien gets abruptly to his feet ow we see what he's looking at

Two tables away sat own an staring at him surroun e by young sol iers chatting away is the R who followe him in episo e one e's resse in sol ier's gear an as ulien catches his eye he hol s his gaze for a moment then picks up his tray an stan s turning aroun an hea ing for the tray rop off stan

U

shock ome back ome back

ulien hea s towar s him etermine an focuse e grabs the guy by his shoul ers an slams him against the wall T SS S T SR T T U U T'U rench subtitle rench shouting ui es tu Who are you What are you fous ici oing here uh Why are you me suis following me nglish Why were you in irkuk What were you oing out there

U T' rench translation ui es tu u'est ce que tu fous ici ein ourquoi tu me suis T SS T U

R et off me What are you oing you crazy bastar

W R Y U

ther sol iers are pulling ulien off ve among them an only when they clear oes ulien see

the bear e man is no longer there ust a young sol ier looking at him confuse an scare The whole canteen has gone quiet II eyes on ulien

> YUS R ook on't know you man never seen you yeah

> > U

t was him he

e looks roun esperately hoping to see the bear e man e's reeling like he's izzy shame

> U T' Sorry am sorry

e sinks into a nearby chair Still stunne by what's happene s much to himself as anything

U T' twas never him e wasn't real

e looks up at ve who is now stan ing over him

U T' orgive me have been thought there was a man in raq

e shakes his hea Trying to muster his same confi ence

U T' This oes not change anything

You nee to go home

U We both want the same thing you an Searching through all the white noise in search of the truth f we just

V You're not well aptiste You're one o you hear me o home n on't come back ulien looks efeate tire angry ut he gets to his feet an walks out The whole room watches him as he goes

U walks away fast his military escort sticking closer to him now eyeing him warily ulien looks shocke at what's just happene but he makes a visible effort to collect himself This can't get in his way e pulls out his phone an ials a number rustration as he hears a erman message

> U orn etective enhart it is ulien aptiste hate to bother

realising Sorry come in ome in

s leas U in

i what you aske spoke to orn enhart n foun something

She opens her laptop an shows ulien the roller coaster picture

T' That's the girl who came back an the girl besi e her is lice That's my aughter ehin them is another girl wearing my aughter's necklace

U Remarkable an you print this picture for me t might be of help

ourse Staff Sergeant Stone's looking into the i entity of the thir girl along with the erman police aybe if they fin who she is

U oo oo then there is hope ut rs Webster that is not why am here

n emma's puzzle reaction

atthew walks quietly closer to the oor so he can listen

With U an now emma looks quiet an thoughtful U t is a lot to take in know

horrifie When you calle to tell me you were going to raq you sai you were going to fin the man who took lice re you saying that's re you saying riga ier Stone i it

U

SS T U

e storms out slamming the oor as he goes ulien looks at emma

U

o you nee to follow him

shaking her hea t won't help e's still so angry on't even get the worst of it Sam oes f he coul take back what he sai at the hospital sighing Sorry arry on

U

riga ier Stone tol me there was a thir person involve in the terrible events of nee to fin out who this was or that nee access to rmy recor s The name of every single person in Stone's unit back then beat These recor s are confi ential ut you with your husban's connections perhaps you coul fin a way to look at them erhaps with your husban's help

o can't talk to him about this can't talk to him about anything any more

U There must be some other way of getting those files You teach on the camp

'mjust a civilian

U We nee those files rs Webster Somehow we nee them

can't help you 'm sorry beat aybe ve will fin something in that picture

ulien closes his eyes an sighs

U

So we sit an we wait n we hope

Т

T SS T U

e gets to his feet ooking frustrate

U T' Thank you anyway rs Webster

U an X are practicing their rapping as TT W approaches Ulf shuts off the music e sees instantly atthew's unsettle angry

U

atty What is wrong

TT W That rench etective ulien aptiste came to my house e thinks the guy who use to run the rmy garrison was involve in my sister's isappearance Stone

U

You believe this

TT W

on't know ut my um oes n the rench cop oes e foun out what happene to that ki a couple of years ago liver ughes e knows what he's oing angry ut no one's going to listen to him are they The rmy always takes care of their own That family riga ier Stone Smarmy prick an all along he's shaking his hea 'm not surprise is aughter's a umb cow U So much hate What i she ever o to you

atthew oesn't answer Ulf just smiles

U T' So what are you going to o about it

TT W

What o you mean

n atthew hea s off Sam pulls out his phone Takes a breath before ialling reay to face the consequences eep

new ay awns over the prison in annover. The rain continues to fall

R ST enters the visitors' room an smiles when he sees is waiting for him e walks over to her goes to embrace her but she turns away The two of them sit facing one another

> R ST o one tol me o one tol me you were better

came out of the coma a few months ago coul n't work oul n't string a sentence together Yester ay they finally let me go home

R ST

t earful am so so sorry for what happene to you eople will never un erstan how they can be so cruel

or will

There's something loa e about the way she says this ristian frowns

T'

Remember you lost your camera last year few ays before you were arreste Turns out it was han e into lost property in nstrom ark

R ST

nstrom ark Why

cutting across him There was no a ress ust some letters a resse to me You must've picke them up by mistake So the camera got sent back to me was attacke before coul open it So only saw it to ay

R ST y love o not un erstan

foun pictures ristian ictures of the girl

ristian looks horrifie

Т SS ΤU

R ST

ut how o not un erstan

a i a hangs her hea

T' R ST t was not me ove never you must believe me There are city bir sonly in nstrom park why woul go there

a ia looks at him in silence

T' R ST esper at e This is someboy trying to make it seem amguilty ne year now they have nothing oproof ni the wor of a poor girl who was nl y riven to ma ness an suici e n now with the trial weeks away this camera shows up amming me out of nowhere

want to believe you ristian ut when think about us the things we i in the be room

R ST t was fantasy you cannot be sayi ng

inally a ia has to tell him an there's something brutally calm about the way she says

> t's too late gave the camera to the police t's up to them now eople nee to know who you are

n she stan s an walks out

Well she efinitely got my nose right

lice smiles am can't help but wince

T'

t stinks in here

You know you on't nee to lock the oor Then we coul use the bathroom You can trust me fter everything 've one

t's not that on't trust you r 'm trying to lock you in t's to keep anyone else out

Who' come in

You never know ut we have to be careful specially now with ristian erz' trial about to start beat nyone coul recognise you

e hangs his hea in his han s Rubs his eyes

You I ook exhaust e I ove

saw that man n the street just now Same one saw before e kept looking at me like just looking at me

e probably just lives aroun here robably just walking his og quietly We can't live like this t's not goo for you r me r ucy

glances at the phone in his han which buzzes as the officer sens a reply e glances at it then slips it back in his pocket e zips up the bag enters the living room an as he's looking aroun a knock at the oor mme iate tension

U is stoo outsi e the oor knocking The scene is intercut between the two

U

or n

am stays ea ly still We can see the paranoi sweat start to rip from his brow n e ge of your seat silence n finally eventually ulien sighs e turns an walks away s he goes he pulls out his phone an ials

an insi e the flat orn's phone starts to ring am hastily presses it to silent or just a beat ulien frowns but he's too far away e hasn't hear it through the oor nstea he waits for orn's voicemail

> U T' into phone t's aptiste nee your help once again my frien all me

ambreathes a sigh of relief an looks over at the oor

V throws up violently into the toilet

V gestures but oesn't sit

won't be long wante to know are you able to get hol of some personnel files rom

ve looks levelly at emma Relieve it's not about the pregnancy but knowing exactly what this is about n not liking it one bit

> V You've been talking to ulien aptiste

e believes it wasn't my aughter who came back

ve hangs her hea

V

aptiste came to see me this morning sking the same thing about those files e then threw one of the corporals up against a wall You know he's ill right e's been having hall ucinations Seeing things that aren't there

e was well enough back in When he first came here

V

e's convince my a ha something to o with lice's ab uction e tell you that

e i

ve no s

V Then you've seen it owirrational V Those files are confi ential You

e grabs ulien's arms trying to get him out of there Stone's min may be nearly gone but he's still increibly strong he's not feeble ol man ulien's fin ing it a huge strain to keep him at bay

ulien grabs Stone an pushes him backwars e's sent reeling ulien's in control of the situation Raising his voice

U

U The man got upset that is all e was confuse

URS

et out ow ut

ulien thinks about trying to explain himself again but just sighs e turns an walks out eeply frustrate

emerges an clutches his hea in pain rought on by U the stress When he opens his eyes he sees the R again eignores the hall ucination an presses on to the car

sits own heavily Still hugely frustrate e bangs U the steering wheel in impotent rage in pain feeling let own by his own boy his own faing ability Tears spring into his eyes

S emerges from the swimming pool builing elooks surprise to see V waiting outsi e

> V ey in if walk with you

S Yeah of course Yeah

n awkwar tension hangs between them as they walk

V an S are along the camp perimeter now There's no one here but them which is of course the reason they're here o one aroun to listen ere at the e ges of the base you can see the base is on top of a hill The town of ckhausen is lai out below in all its uninspire s built glory

V ow was your session with eeson this afternoon S e seems happy appy as therapists get anyway There's talk of going back to nglan

ve no s

thought you shoul know 've been thinking an 'm not keeping it

Sam stops an looks at her surprise by the su enness of the statement

V T' eople nee people That's why we o it We're all afrai of being alone n the things we put up with just so we on't have to be heating wives abusive T SS T U

-

That's not us

V

S

'm not saying that 'm just saying t was never about you an me We were lonely We were a mistake n it's time to put the mistakes behin us

Sam exhales har Shakes his hea an smiles crookely

S You think it's that easy o you ust raw a line un er it ove on ause 've trie that eep the baby on't keep it it oesn't change what we were all it a mistake if you want ut isn't that all we are very umb petty sensel ess mistake we ever ma e

ve looks at him his pain his bitterness his anger s if seeing him for the first time n maybe it's with relief that she says

> V oo bye Sam S Yeah oo bye

ve turns an walks away eaving Sam staring out over the town below

The mille of the night II is quiet an still outsi e the care facility Su enly three silhouettes cross the frame o sooner have we seen them then they're gone

We're roun the back of the buil ing now n a wi e we watch a couple of nurses stan ing having a cigarette illuminate by a single bulb above the back oor When they're one they hea back through the oor sit swings shut a silhouette crosses frame again

U e moves fast an puts his han in the oor to stop it shutting e hol s the oor open with a grin an X enters ollowe by TT W We can hear the nurses still chatting to each other in erman now that we're in the blan carpete hallway U X an TT W walks slowly own as the voices rece e Their movements are eliberate unhurrie as they look in the oors as they pass They roun a corner

ST is in be asleep We stay on this image for a moment The silence broken only by the soun of Stone's light snoring We hear but on't the oor being gently opene an close Then the hulking silhouette of U crosses frame

S T SR T Т SS τU U U erman quietly erman translation OW et zt X turns on a be si e lamp just as Ulf rags Stone out of be s Stone wakes up an his eyes wi en trying to take in what's happening to him Ulf clamps his han over his mouth U We want to talk with you about lice Webster e looks at at thew U T' o on at t y beat Talk to him atthew takes a step forwar ark look in his eye as he glares at Stone Whispering TT W What i you o to my sister beat o on What i you o e looks at Ulf who momentarily removes his han from Stone's mouth ST on't know where am Uf puts his han back over his mouth TT W You're going to tell me what you know n as he raises his fist we υгт t's raining heavily but it hasn't eterre the knot of press who are now campe outsi e the Webster house

is watching TV a blank look on her face t takes a moment for her to realise the phone insi e is ringing inally she answers T SS T U

T'

ello

pause emma frowns

ello

We see U on the phone We on't yet see where he is but we can see he's pale an tire

U rsWebster ulien aptiste

ntercut now between the two emma mutes the TV in surprise

aptiste hear you weren't well

U

The last year has not been easy ut we go on orgive me for calling rs Webster imagine ckhausen is busy ristian erz' trial starts soon n this morning it seems there is new evi ence a camera

Yeah hear try not to rea the papers but it's har not to

U With all of this interest in the case a magazine here in rance reprinte an ol interview with you rom many months ago n it you talk about your aughter n a story she once tol about a roller coaster

Yeah remember beat Sorry raptiste on't really un erstan

U t gave me an i ea believe the escription of the theme park narrows it to just one possibility R

U Т have spoken to orn enhart of the olizei he is a frien e i s going to see if any further leas might come from this

h Right 'm sorry but why We know what happened to my aughter we know who took her why ig up the past again

ulien hesitates a moment before replying

U

ecause still o not believe the girl who perishe in that fire was your aught er

shocke n erma

> 0 o that oesn't make any sense they teste her

> > U

have spoken with etective enhart several times over the last year We have been working to try an untangle the chain of custo y The test on the remains in that she was con ucte by the rmy ot the erman olizei

What ifference oes it make can't change the facts aptiste no matter how much might want to

U

etective enhart an were looking into a man before my health force me to leave ckhausen This man enry Ree was a solier in the rmy e was mur ere his eath ma e to look like a suici e n a short time later the rmy are given unprece ente powers in an investigation that shoul have been erman juris iction

t was her t ha to be

U

Science rs Webster oes not lie ut people people lie II the time What if someboy in the rmy lie about the test

emma is breathing har now trying to comprehen what ulien is saying

Why woul you tell me something like this

U am ying rs Webster cannot fight any longer for the truth You can You know that girl was not your aughter

n emma a whirlwin of thought racing through her hea all at once ulien hangs up an we pull out to see

U sits on a fa e hospital chair There's an Vin his arm hooke up to a rip sits besi e him

elia gives hima look

U emma Webster wante to share something with her

frowning You're suppose to be resting U

U y bo y is being poisone require istraction

You mentione there was new evi ence roving what guilt

U

So it seems

You were hoping ristian erz was innocent

U

o hope only for certainty want to fin the person who i this as much as the next man fter a crime so awful people want a monster Someone to hang from the gallows II so we might console ourselves that we live in a worl where goo things come to those who are goo an ba people are punishe for their sins beat

t only serves to remin me must know n as yet o not

You have to let it go my love When orn enhart calle last year saying you' ha a fit in the car that you were in hospital for a moment on't know wasn't was so panicke listening an thought he was telling me you were t was just for a secon ea ut know know exactly how it now woul feel to lose you on't want to feel like that again You have to put this behin you my love ocus on getting better

They're interrupte by a noise a high pitche squealing they hear before the oor opens an SR enters carrying a baby er baby She looks knackere

ha to go back an tell them i n't know where you were T SS S T S R T T U ey a T SS T U

ST

What what happene

is voice is slurre an hoarse barely comprehensible

V Ssh You got hurt You have fracture ribs

Stone starts to try an lift himself off the be an ve has to hol him own

V T' on't try an stan a You nee to rest

ST What's going on Where am

e continues to try an struggle up to a sitting position s he oes this a URS enters an spots this

STURS STURS erman unsubtitle erman translation r Stone lie own now err Stone bitte legen Sie sich jetzt hin

> ST T' want to go home want to go home

e winces in excruciating pain as he swings his legs over the si e of the be pulling his V with him

> URS ie back please you cannot go anywhere for now

ST You on't tell me what to o

The nurse goes to ease him back own on the be an Stone shoves her har

V

а

The nurse calmy presses a 'call' button Stone continues to try an get to his feet causing himself huge pain in the process

> V T' a please just rest they're only trying to make you better

Several other URS S an T RS enter the room The original nurse starts explaining the problem to them in erman

T SS T U

a come on it's me t's ve

ST et away from me on't know what you're talking about on't

V

t's me

ST eave me al one

ve watches tearfully as Stone gets to his feet an collapses in a heap on the floor The nurses lift him up an as he struggles an kicks an screams they have to inject him with a se ative fter a moment ve can watch this no more an walks out fast her han over her mouth

n the pe estrianise shopping street in ckhausen sits at a cafe U approaches e still looks shaky an weak after his fit

> U rsWebster was surprise to get your call

re you okay

e sits Rubs his eyes

U

Yes

ut he oesn't soun it emma han s ulien a file

verything the rmy ha on rian Stone an enry Ree's unit nything that went on while they were on ops in the ulf War shoul be in there beat ee less to say it's all as classifie as you can get

rateful knowing they can't have been easy to get Somehow being given this stuff is breathing new life into him

U Thank you this cannot have been easy

S T SR T Т SS τU e's alrea y iving into the ocuments skimming through ow will you fin this thir person Stone mentione in all those names U will start with those on tour in this regiment in Those in Stone's own unit fellow officers who might e tails off emma frowns What ulien looks up at her then back own at the papers e sli es it over to her U This is no This name coinci ence emma looks own at the name an shares a horrifie look with ulien

What is it

ulien clenches his jaw in ing a renewe strength an sense of purpose

U am not one here rs Webster Thank you

V sits in the canteen nursing a coffee yes close trying to keep her emotions at bay She hears a erman accente voice

Staff Sergeant Stone

ve opens her eyes to see stan ing above her

T' am sorry to isturb wante you to know will be tackling this case personally Your father an ha our isagreements R but it was a loss to us all when he ha to step own V o you have any i ea who might have one it The rench etective aptiste

is back in ckhausen again

V What's that got to o with my a

Staff at your father's facility say his last visitor was aptiste There was shouting when the nurses ran in to help aptiste was attacking your father

V

- T SS ST SR T T U
 - e hangs up ooks at ve

e has gone

T'

S ey You were up early

went to see ve

Sam frowns confuse

S

Why

oes it matter Sam 'm tire 'm tire of fighting 'm tire of preten ing an't we just be grown up an a mit that it's over

S

Why What's so grown up about giving up o o we have to try

We're trappe Sam You can't take back what you sai to atthew What you sai to me

S n how many times o have to apologise ow many times is that going to be use as a stick to beat me with

Too much has passe That's the truth You think you can fix everything ut you can't fix us

S You think that's what want

e shakes his hea

T'

S So what if we're broken We'll never be like we were before e you at thew know that ut maybe we'll fin something else

She looks up at herself in the mirror The length of her hair now gone

look like a boy

You look beautiful t makes you look younger

She sighs

When will go

Soon verything has to be rea y everything has to be in place ut soon few months maybe

Why can't you come with me

Won't get my pension unless wait o it properly ee ing an clothing you isn't cheap

She nos un erstan ing

T' This is what you wante You get to see the stars again sn't that what you al ways sai you wante

She no s Still not convince

on't know why ucy can't come on't you trust me

am looks at her in the mirror is expression shifting

You earn my trust when say you have You know that

She nos e picks up the picture ucy rew of him an her together an sit to lice

T' You can take this Then you'll have us there with you nyway we'll be there before you know it

Seeing her hesitance

R

T' Your face is all over the papers here f we're going to fin a way to live we have to oit right n that means me trusting you to o this

rench subtitle rench translation You can trust me Tu peux me faire confiance

T'

turning on't o that You know hate that on't be a bitch

Sor r y

silence e looks at her in the mirror

We nee to change the colour

e looks her in the eye rinning

T' See tol you this' be fun

S pulls up in his car an gets out ignoring the press e walks purposefully through the rain an into the house

is in the living room ti ying up The TV's not on an she's su enly active lert completely ifferent woman to the one we saw in the opening of this timeline S enters Takes in the sight for a moment how manic emma seems

S

ey

veni ng

She barely looks up just keeps on ti ying an cleaning

S You think they're going to camp out there for the whole trial Watching us

R

S T SR T

o knows S talke to atthew We're meeting for a pint ike we use to So that's e trails off

> S T' 've been talking about maybe

S angry o you realise how you soun This last year you've been asleep at the unishing yourself an me

You shoul talk to aptiste then you'll un erstan then you'll realise

S

We've been through this emma You think the police are wrong You think she was lying to us the whole time she was in this house Why Why woul she o something like that

on't know ut o know something wasn't right sai i n't when she was here

S cutting her off You nee help emma Seriously ecause <u>this</u> this isn't a way to battle those emons running roun your hea This this is sick

n he turns an storms out slamming the oor behin him

S is sat at the bar rinking a whiskey e's clearly ha a few Takes out his phone an ials a number we hear it go straight to voicemail

> S intophone atthewit's me 'm here Thought you were coming but beat learly not

e thinks about saying something else but hangs up e gestures to the R for another rink ooks aroun the bar then sees someone in the corner V on her own rinking She catches his eye smiles politely e no s at her to come join ventually she oes When she gets to her

S T SR T Т SS τU S T' o one shoul rink al one V Says the man rinking alone 'm suppose to be meeting someone t that moment the lights flick on an off for last or ers T' S Was suppose to be meeting someone anyway ve smiles They sit in silence for a moment S T' remember when first joine the army ha this i ea of it that maybe it was this place you' never be alone You sign up to a family of thousan s beat ow look at us V You have a family S So o you You have your a ut he's not there is he Same way mine aren't V You hear about my a S othing stays secret for long roun her e V t least you on't get lonely Sam thinks for a moment owns his whiskey S can't remember the last time wasn't lonely

S an V stumble out of the bar into the rain runk They hea own the roa a bit ve rops her han bag an goes to pick it up just as Sam reaches own for it

ut she lifts her hea up as he oes so sen ing their hea s smashing into each other with a $c = ac_{1}$.

T' U you set him up Your husban i or the ab uction of lice Webster f Sophie iroux Was it you

on't know what you're t al ki ng about

U

am talking about the reason all of this began in the first place for almost a month ack in in uhok you were the ranking officer Un er your comman were rian Stone an enry Ree Something happene back then i it not

'm calling the police

She goes for the phone ulien lurches forwar pushes the phone away an grabs her wrist twists it then grabs the knife with his other han earlessly an expertly one

> U You will o no such thing

e stares at her the knife in his han

T'

U They think have lost my min That the wires in my heat have fuse an blown II because of the rotten secrets kept hi en in a basement by cowar's an thieves asements like the one that hel lice Webster prisoner

scare an confuse what oes this have to o What with lice Webster

U

verything believe that fin ing out the truth of what happene all those years ago in in raq will help explain why lice Webster was taken n more importantly who it was that took her beat testing her Unless you can tell me now

IT y

а

ulien looks through a slat in the blin s for any signs of police outsi e

> U think we o not have much time n that you ha better tell me everything that passe back in

ot fully un erstaning but very aware of the stakes as she looks own at the knife in his han s she no s curtly

> kay kay 'll tell you what know

n on ulien finally about to get the answers he's given so much up in the search of we

> S Т
