OWEN

First round's on you, boss.
(to OWEN and TOSHIKO)
Come on girls, get your handbags!

GWEN and TOSHIKO catch up with OWEN and JACK. They all walk past IANTO. They don't acknowledge him, they're so caught up in themselves. Like he's invisible.

JACK

Course, you know that was an illegal move.

TOSHIKO

Totally illegal!

OWEN

Keep telling yourself that. Losers.

IANTO doesn't move as they pass and head into the lift.

Over IANTO's shoulder, the lift door closes.

And we close in on IANTO. Seemingly impassive. He remains still as we go in very very tight on his face.

CUT TO:

5

EXT. MILLENNIUM SQUARE - DAY

5

GWEN, JACK, OWEN and TOSHIKO stride past the water tower.

GWEN

He's never seen a live rugby match!

JACK

I have other things to do with my time!

GWEN

Rhys knows a bloke whose cousin works at the Millennium Stadium. We should all go to the next home international.

OWEN

Blue light spills under the doorway and around the doorframe. Just audible: the low throb and hum of a power source.

DR TANIZAKI follows IANTO towards the door.

IANTO turns to DR TANIZAKI as they arrive by the door. And the neutrality has dropped now, his face is agitated, upset. A man desperately needing to confess .

IANTO

I did all I could. I really did.

DR TANIZAKI nods. And IANTO unbolts the door -- big thick iron bolts -- at the top and bottom. He puts a big key in the heavy lock. Turns -- a heavy clunk. And he opens the door.

CUT TO:

10 INT. TORCHWOOD, LISA'S ROOM - DAY

10

Medium-sized room, cobwebbed brickwork.

IANTO walks in first. We see the love, the concern on his face. But we don't yet see the subject.

IANTO

Hey you.

And DR TANIZAKI follows him in. Play off his face for a moment. Transfixed, amazed.

And we see what they're looking at:

Hospital equipment. Respirator machine, a heart monitor.

armour of the full Cyberman. Skin shows between the gaps. Still clearly a woman, clearly human. Horrifically beautiful.

The drips go into her skin. She's wired up to both respirator and heart machine.

DR TANIZAKI

My God!... It's not possible...

He looks to IANTO, beaming, his eyes burning with excitement.

DR TANIZAKI (CONT'D)

One of them survived!

IANTO walks over and gently kisses LISA on the lips. His face nearly cracks with emotion. Then he reins it in.

IANTO looks up at DR TANIZAKI. A release -- the first person he's ever been able to tell:

IANTO

This is Lisa.

And LISA's eyes flick open.

INT. TORCHWOOD, LISA'S ROOM - CONTINUOUS

11

DR TANIZAKI walks round LISA. Her eyelids are drooping now.

DR TANIZAKI

Is she awake?

IANTO

(shakes his head)

It's just a reaction to the medication.

Dr TANIZAKI fixated on LISA. Marvelling.

DR TANIZAKI

She's the only one left. Across the whole world.

He turns back to IANTO. Shakes IANTO's hand. Like a child he's so excited. His eyes ablaze.

11

DR TANIZAKI (CONT'D)

Thank you -- so much -- for bringing me here. I never thought -- to get the chance -- to study, to work with, anything like this.

IANTO

Anyone.

IANTO's POV: DR TANIZAKI examines LISA's face, her body: a scientist checking out a specimen. He touches her all over -- pokes, prods, strokes.

Then on IANTO, watching this -- it makes him *deeply* uncomfortable. This is still his girl, still a person. He squirms, hates her being examined like an object. Just as he's about to tell TANIZAKI to stop:

DR TANIZAKI

Tell me what happened.

IANTO calms himself.

11B CONTINUED:

11B

 IANTO
I pulled her out.

DR TANIZAKI nods, not really listening.

 DR TANIZAKI
Do you know the percentages?

 IANTO

LISA

A little.

She gasps -- a stab of pain. Her body contorts -- and then relaxes. And throughout this, IANTO's face shows that he's feeling every moment of her pain.

IANTO

But not enough.

LISA turns her head -- she gasps in agony -- as she looks at DR TANIZAKI.

LISA

Is this him?

IANTO

I promised, didn't I?

LISA turns back, smiles at IANTO.

LISA

And you always keep your promises.

He smiles back, the briefest glimpse of what they once were together.

DR TANIZAKI

(to IANTO)

I'd like to ask her some questions.

IANTO nods. DR TANIZAKI fishes out a palm pilot from his pocket -- goes to stand by LISA. Smiles at her. Best bedside manner. Maybe even a little patronising.

As she answers, he taps in her response to the palm pilot.

DR TANIZAKI (CONT'D)

My name is Dr Tanizaki. I specialise in Cybernetics. Your friend, Mr Jones--

LISA

My partner--

DR TANIZAKI

Yes. He asked me to come.

LISA

We agreed, together.

DR TANIZAKI

Few simple questions. What's your name?

(CONTINUED)

11B CONTINUED: (3)

11B

LISA
Lisa Hallett.

DR TANIZAKI
How old are you?

LISA
Twenty six.

DR TANIZAKI
Do you have a job?

LISA
I work --
(she looks at IANTO)
I worked -- for the Torchwood Institute.
In London.

DR TANIZAKI
What's the last thing you remember
before coming here?

LISA
Pain.
(She looks to IANTO)
I remember my body burning with pain.

DR TANIZAKI stares at her. Nods. Puts his palm pilot
away. Looks at IANTO.

DR TANIZAKI
You said there was somewhere I could
work upstairs?

CUT TO:

12 INT. TORCHWOOD, AUTOPSY ROOM - DAY

12

Sedated LISA in the centre of the autopsy room. Wired in
to the respirator, two drips going in to her.

IANTO watches from the raised platform. DR TANIZAKI
talks as he checks readings on his laptop.

DR TANIZAKI
This first stage should enable her to
breathe without the respirator. Once
her body functions without support, I
can judge what work is needed.

IANTO
What if she's not ready to breathe on
her own?

(CONTINUED)

12 CONTINUED:

12

DR TANIZAKI

You must be prepared for her not to survive.

IANTO's shocked by DR TANIZAKI's matter-of-fact attitude. DR TANIZAKI's standing by the life support machines now.

DR TANIZAKI (CONT'D)

Sometimes, in order to save what we love, we have to risk losing it.

DR TANIZAKI smiles. IANTO smiles back.

Then -- SLAM! DR TANIZAKI throws the levers and switches on the machines down. Turns everything off, in a flourish.

Horrified IANTO runs down to DR TANIZAKI. Tries to wrestle him off.

IANTO

No! She's not strong enough!

DR TANIZAKI shakes IANTO off him. Fire in his eyes.

DR TANIZAKI

Let me do my work!

CUT TO:

13 INT. PUB - NIGHT

13

The team at a table (pints etc half-drunk, JACK's on water) as JACK finishes a story.

JACK

(mid-flow)

-- And she said, d'you know how difficult it is to find a man in this city? He had a nice flat and all his own hair so frankly, a couple of tusks, I can live with!

Raucous laughter -- as TOSHIKO's palm pilot beeps on the table. TOSHIKO picks it up, reads the screen as:

TOSHIKO

UFO sighting over Cardigan Bay -- seven calls to the emergency services.

They all groan.

OWEN
Can we at least finish our drinks?

JACK
(drains his water)
Sure. Take ten seconds.

CUT TO:

14 INT. TORCHWOOD, AUTOPSY ROOM - NIGHT

14

IANTO sits by LISA's body, holding her limp hand in his.
LISA's breathing is laboured.

IANTO looks up at DR TANIZAKI. Accusing.

IANTO
If she dies because of you--

And LISA gasps for air.

LISA's eyes open. Blink. The autopsy room comes into
focus. IANTO looking down at her.

LISA
Ianto?

IANTO
Oh my God... yes, I'm here...

He looks over stunned, at DR TANIZAKI.

IANTO (CONT'D)
She's breathing...! It's worked!

LISA's looking around, touching her body. No wires.

LISA
Why aren't I connected?

And IANTO's close to tears.

IANTO
You're alive -- he kept you alive.

IANTO doesn't know whether to laugh or cry. LISA looks
at DR TANIZAKI. DR TANIZAKI beams.

LISA
Thank you.

DR TANIZAKI
This is only the start.

(CONTINUED)

15 EXT. MILLENNIUM SQUARE - NIGHT

15

JACK, GWEN, OWEN and TOSHIKO bickering as they stride.

TOSHIKO

All I'm saying is, once in a while, *I'd*
like to drive!

OWEN

And all I'm saying is no!

TOSHIKO

Why not?

OWEN

I've shared cars with women before. I
know what'll happen. There'll be an
emergency, we're all raring to go, I
jump in, what do I find? Seat's in the
wrong position, rear view mirror's out
of line and the steering wheel's in my
crotch. Time it takes me to sort all
that out, aliens'll have taken Newport.

CUT TO:

18 INT. TORCHWOOD, THE VAULT - NIGHT 18

DR TANIZAKI carrying LISA through the door, back towards the stairs down to the basement. IANTO stays back: panic all over his face.

IANTO

Soon as they're gone, I'll be down.

He slams the door.

CUT TO:

19 INT. TORCHWOOD, THE HUB - NIGHT 19

JACK, GWEN, TOSHIKO and OWEN stride in. JACK barking out instructions at 100 mph.

JACK

Tosh, call up the radar within a 50 mile radius of the Bay for the last six hours; Gwen, check with that man -- Neil, I think his name is, voice like Sean Connery -- at Jodrell Bank, see if they picked up any chatter around the time of the sightings. Owen, access the airspace provision over Cardigan Bay, also any RAF flightplans, see if it's just a case of mistaken identity.

They all head for their stations, the models of efficiency.

WHIP-PAN: IANTO arriving at a breathless sprint back into the Hub, transforming into a calm walk. We can almost feel his heart beat fast as he walks through.

He smiles, trying to project calm.

CUT TO:

20 INT. TORCHWOOD, LISA'S ROOM - CONTINUOUS 20

DR TANIZAKI guides LISA towards her steel cubicle.

DR TANIZAKI

Take it slowly. You're still very weak.

And just as he's about to help her into the cubicle --

LISA grabs DR TANIZAKI by the throat with one hand -- he struggles for breath as --

PRAC FX: LISA raises him above ground. Terrified DR TANIZAKI tries desperately to breathe --

CUT TO:

20A INT. TORCHWOOD, THE HUB - CONTINUOUS 20A

From IANTO's POV: walks past as GWEN, JACK, TOSHIKO and OWEN tap at their keyboards, downloading info.

GWEN

(on the phone)

Is that Neil? It's Gwen Cooper from Torchwood.

(flirty)

I know, we're always after something, aren't we?

We're staying close on IANTO. Feeling his nerves.

JACK

Ianto!

Jolted, IANTO looks to JACK who's in his office.

JACK (CONT'D)

Would you work some coffee magic?

IANTO forces out a polite smile and nods.

CUT TO:

21 INT. TORCHWOOD, LISA'S ROOM/TABLE - CONTINUOUS 21

SLAM! DR TANIZAKI is shoved against the table.

PRAC FX: A clamp slams locked across his neck.

PRAC FX: Then, either side of DR TANIZAKI's head, at his temples, clamps extend out of the table and lock his head into place.

Dazed, scared DR TANIZAKI can't move. His arms and legs are also pinned down. He struggles to get out -- no use.

DR TANIZAKI

Lisa! Let me go!

And LISA bends so her face is at the side of DR TANIZAKI's. Now she's in charge and he's the patient.

LISA

25 CONTINUED:

And they all look up. IANTO's standing, isolated on the raised walkway.

IANTO (CONT'D)

We've been having generator problems all evening. I was down there checking earlier: couple of bits of cabling have come loose. I thought I'd fixed it. Let me have another look.

And there's a moment, a tiny moment (which to IANTO seems huge) where they all stare at him, and it feels like an age of them all looking at him and IANTO's getting sweaty under the collar when:

JACK

Fine. Go check.

GWEN

Want some help?

IANTO

It's fine.

CUT TO:

26 INT. TORCHWOOD, THE BASEMENT - NIGHT

26

IANTO pelts down the bottom of the stairs and along the corridor. Fear in his eyes now. Breathing fast and hard.

He gets to the door -- throws it open.

IANTO

You've got to shut down the power!

CUT TO:

27 INT. TORCHWOOD, LISA'S ROOM - CONTINUOUS

27

From IANTO's POV:

LISA knelt in the centre of the room, cradling a dead DR TANIZAKI in her arms.

His suit slashed, his face scarred. Broken head handles go into his temples, marked with blood.

A conversion gone wrong.

IANTO runs over -- shuts the table's power down. Then he runs over to LISA -- takes DR TANIZAKI's body from her.

(CONTINUED)

27 CONTINUED:

27

IANTO
Oh God, oh my God...

No sign of life. IANTO turns on LISA.

IANTO (CONT'D)
What happened?

LISA
His upgrade failed.

IANTO
Was it an accident?
(cold, sweaty
realisation)
Tell me you didn't do this!

LISA
I wanted to repay him for helping me.
By removing the weaknesses of his
humanity.

IANTO
No, Lisa. Oh God, what have you done!
You've killed an innocent man!

LISA
It's alright.

IANTO
It's not alright! They're gonna come
looking for me in a minute. If they see
the body, if they find out what we've
been doing...

LISA
I can deal with them.

IANTO
Don't you go near them!
(trying to stay calm;
rationalising)
You didn't mean to do this. Something's
happened to your mind, some kind of...
side effect from this whole process.
It's post-traumatic. You didn't mean
to...

And then a flash of temper as all this overwhelms him --
and he SHOVES her hard:

IANTO (CONT'D)
You've ruined everything now!!

(CONTINUED)

27 CONTINUED: (2)

27

And for a brief flash, LISA looks murderously at him. And the expression, unnoticed by IANTO, disappears as quickly as it appeared.

IANTO (CONT'D)

How hard have we had to work to keep you alive? And now you do this!

He paces, running his hands through his hair. LISA just stares. IANTO talks himself round.

IANTO (CONT'D)

OK ... The body. Gotta deal with the body. I can do this.

(and he cracks as he realises:)

This is my fault. I'm responsible for this.

He turns back to her again: very stressed, very worried.

And he guides LISA back over to the table.

IANTO (CONT'D)

I need you to stay in here. Rest. Don't come out unless I tell you.

(Beat)

This can't happen again, Lisa. If you harm anyone else, I'll--

And he flounders as she stares at him. A genuine question:

LISA

Yes? What will you do?

Beat.

IANTO

This can't happen again.

He lays LISA back on the table. And the next words he says chill his blood.

IANTO (CONT'D)

I'll hide the body.

IANTO hauls up DR TANIZAKI's body. Slow, clumsy, painful. Can't get a grip at first.

Then he loops his arms under DR TANIZAKI's armpits and drags DR TANIZAKI's body to the door. Linger on it, on IANTO's pain, both physical and emotional.

(CONTINUED)

27 CONTINUED: (3)

27

In the doorway, IANTO turns back to LISA. Holding the dead Japanese doctor in his arms.

IANTO (CONT'D)

Everything's going to be OK.

Struggling IANTO uses his foot to kick the door to the room closed.

The sound of the bolts being locked on the outside. IANTO looks in, just visible through the glass and wire mesh panel. Then leaves.

Sure IANTO's gone, LISA presses the button on the side of the table.

The table powers up.

CUT TO:

29 INT. TORCHWOOD, THE HUB - CONTINUOUS

29

GWEN, JACK, OWEN and TOSHIKO round a computer screen, laughing.

On the screen is some home video footage of Cardigan Bay and the sky above it.

GWEN

That's a UFO?!

OWEN

Only just!

JACK

Arkan leisure crawler, 1st generation: collectors item, don't see many around these days. Tosh, send out a polite message saying great to see them but please could they get the hell out of our atmosphere because they're spooking the locals.

TOSHIKO

Done!

GWEN

Shouldn't we be apprehending it?
Interrogating it?

(CONTINUED)

29 CONTINUED:

29

JACK

Oh, please. You interrogate an Arkan, you'll be in there for months. And that's just the first question. They're so boring. Besides they're mostly liquid, so the cells will be a mess.

The lights flicker and dim again.

COMPUTER SCREEN: Alert graphic: "Power Loss 23%"

OWEN

There it goes again!

JACK

(over comms)

Ianto, we've got another dose of darkness. You found anything?

CUT TO:

30 INT. TORCHWOOD, THE BASEMENT - CONTINUOUS

30

IANTO drags DR TANIZAKI's body along the corridor. It's messy, indignified and physically exhausting.

IANTO stumbles along, pulling the body. He's in tears, the physical and mental exhaustion wearing on him.

JACK

(over the comms)

Ianto? Need to hear those beautiful Welsh vowels!

IANTO ignores it, works on, tears streaming down his face.

And behind him, way at the other end of the corridor, blue light spills out from the doorfram3 1 sPbmA's room.

CUT TO:

31 INT. TORCHWOOD, PbmA'S ROOM/TABLE

Then the 37% ticks up to 38%...39%... 40%

TOSHIKO running from one keyboard and computer screen to the next. One computer beeps: a result.

TOSHIKO

Power's draining to the storeroom at the bottom of the building.

Screens around the Hub come to life. A 3-D model of the Hub and its maze of corridors appear on screen.

TOSHIKO (CONT'D)

Looking for human heat signals, we've got--

Two heat signals appear, either end of the basement corridor (one for LISA, one for IANTO).

OWEN

Two signals?

TOSHIKO

So, assuming one's Ianto--

GWEN

Who's the other?

JACK

I'm thinking, we're under attack.

JACK heads straight over to the weapons store. Hardline commander mode.

JACK (CONT'D)

Security's been breached: we assume battle protocols.

TOSHIKO

That's impossible -- nobody can get in without triggering seven separate alarms.

JACK hands a gun to OWEN. Throws the same to TOSHIKO who's running over with GWEN.

JACK

Yeah, well, looks like we're gonna have to upgrade our system.

(CONTINUED)

32 CONTINUED:

32

JACK gives GWEN a hand gun.

OWEN
(lock and loading)
I'll head down and look for Ianto.

He heads down towards the vault. GWEN runs to catch up with him.

GWEN
I'll come with you.

OWEN
(to JACK)
You OK with that?

A brief exchange of glances between JACK and GWEN -- she dares him to challenge her.

JACK
Keep your comms open at all times. Any doubts -- shoot first. First priority is to find Ianto.

CUT TO:

33 INT. TORCHWOOD, THE VAULT - NIGHT

33

IANTO heaves DR TANIZAKI's body along. He's in tears: exhausted, ready to drop.

He reaches a small anonymous door at the end.

IANTO kicks it open. It's the "crap" room where stuff that doesn't belong anywhere else is shoved and ignored. Some old metal bins, loads of tarpaulin sheets. It definitely stinks in here.

He hauls DR TANIZAKI's body through the doorway -- winces as he bangs TANIZAKI's head against the door. Oh God, he's hating every second of this.

IANTO dumps the body on the floor, in a corner, behind the door. Pulls down a dirty old tarpaulin.

Just as he's about to cover the body...

IANTO looks at DR TANIZAKI's body. And the regret, the guilt is ETCHED on his face, his expression haunted, drawn. He means it when he says:

IANTO
I'm sorry.

(CONTINUED)

33 CONTINUED: 33

IANTO throws the tarpaulin over the body.

CUT TO:

34 INT. TORCHWOOD, THE BASEMENT - NIGHT 34

OWEN and GWEN come round the corner into the basement corridor, guns raised, covering each other. They look both ways down the long, dark corridor.

GWEN
(whispers)
What's down here?

OWEN
Normally? Nothing.

And OWEN sees it first. He nods silently to GWEN: she follows his gaze.

The door at the end of the corridor, with light spilling out from underneath. They walk towards it.

JACK (O.S.)
(over the comms)
Progress report?

OWEN
Signs of activity at the eastern end of the main corridor.

CUT TO:

35 INT. TORCHWOOD, THE HUB - CONTINUOUS 35

35

JACK

(on comms)

Gwen, Owen? Can you hear me?

(to TOSH)

Damn! Can you get them back?

TOSHIKO

Trying other channels -- there's something else you need to see.

JACK runs over to her. She shows him her screen.

TOSHIKO (CONT'D)

I've gone back through our internal CCTV footage for the last couple of hours. Someone's tried to remove the images from our system.

JACK

See, now I'm starting to get a little peeved. These people come into my house, start messing with my things--

TOSHIKO

I dug into the system memory.

And she shows him:

CCTV FOOTAGE: IANTO and DR TANIZAKI walk through the Hub.

And JACK's looking seriously worried now.

JACK

What the hell is going on?

CUT TO:

36 INT. TORCHWOOD, THE BASEMENT - NIGHT

36

OWEN and GWEN at the door to LISA's room. Blue light spilling out, the sound of power from within. Guns at the ready.

OWEN

Jack? Tosh?

He looks at GWEN.

GWEN

No comms.

OWEN

We're on our own.

(CONTINUED)

36 CONTINUED:

36

OWEN presses his face against the glass panel. But the wire mesh the other side obscures his view.

OWEN (CONT'D)

What the hell...

GWEN

What's the matter?

OWEN

Can't see properly. But there's something in there, some kind of operating table.

(he turns back to her)

I think there's a body on there.

GWEN

Tell me it's not Ianto.

OWEN

I can't see well enough.

She muscles him out the way, tries to look in. OWEN pulls a lockpicker and sets to work on the lock.

OWEN (CONT'D)

Get the bolts.

GWEN does.

CLICK! OWEN's done the lock. He looks to GWEN -- they both know what to do.

OWEN keeps hold of the handle as he and GWEN place themselves either side of the door. Deep breaths.

OWEN counts down with his fingers: Three, two, one--

CUT TO:

37 INT. TORCHWOOD, LISA'S ROOM - CONTINUOUS

37

SMASH! GWEN and OWEN pile into the room, guns raised.

But the room's empty.

FX: The metal table without an occupant. Fizzing with power.

OWEN and GWEN lower their guns. Stare in wonder. Dazzled by what's before them.

(CONTINUED)

37 CONTINUED:

37

And OWEN approaches the table, paces round it, worry etched into his face.

OWEN

No. No, no, no, no.

GWEN

What the hell is it?

OWEN

It's wrong. It's beyond wrong. It shouldn't be here.

And he starts jabbing at the panels on the side -- any button, any switch.

OWEN (CONT'D)

39 CONTINUED:

39

OWEN

It's the remnants of a conversion unit.
This machinery turns humans into
Cybermen.

The comms crackle back on. JACK's voice makes it
through.

JACK (O.S.)

(over comms)

-- ... hear something back within 30
seconds, I'm coming down there.

GWEN

Jack, it's Gwen. The comms dropped out.
We're back online now.

JACK

Any sign of Ianto?

OWEN

No. But we have found parts of a Cyber
conversion unit. Fully powered up and
working.

JACK

This is no time to be kidding around,
Owen.

OWEN

I'm deadly serious. I dunno why it's
here, or how it got here. But that's
what's draining the power.

Silence from the other end.

OWEN (CONT'D)

Jack?

CUT TO:

40 INT. TORCHWOOD, THE HUB - CONTINUOUS

40

And JACK is looking stunned, terrified.

OWEN (O.S.)

(over comms)

Jack? You there?

TOSHIKO stares at JACK, watches him compose himself.

OWEN
We still haven't found --

SMACK! OWEN doubles over, falls to the floor,
unconscious.

43 CONTINUED:

43

LISA smashes GWEN's gun out of GWEN's hands. It flies across the room. GWEN terrified.

LISA advances on GWEN. GWEN backs off.

LISA shoves GWEN --

GWEN falls onto the tilted conversion table.

And LISA holds her down. GWEN struggles but LISA's superhuman strength holds her there as--

GWEN (CONT'D)

Let me go!

FX: LISA pushes a button -- the table powers up.

PRAC FX: A clamp extends across GWEN's neck. GWEN gasps.

LISA

Don't struggle. You will be like me.

PRAC FX: The head clamp locks GWEN's head into place -- GWEN yelps in shock and pain.

GWEN struggles frantically -- she can barely move.

LISA stands watching. To her side, OWEN lies unconscious. He's not rescuing anyone.

43 CONTINUED: (2)

43

GWEN

Owen!! JACK!!

JACK hears GWEN's screams. He shoots LISA -- but just as he does:

He's bundled over -- by IANTO. IANTO manages to knock JACK's aim off and --

LISA recoils -- the shot's hit her in the shoulder. She looks to her shoulder, like she's been stung by a wasp.

IANTO and JACK wrestle on the floor. IANTO's trying to get JACK's gun off him.

IANTO

Don't kill her, she doesn't know--

JACK kicks IANTO off him. IANTO hits a wall, winded. JACK pins IANTO violently to the wall, hand around his throat. Spitting with fury.

JACK

You're fighting the wrong guy!

Still keeping IANTO pinned, he looks down the corridor.

But LISA has gone.

GWEN

GET ME OUT OF HERE PLEASE SOMEONE!

IANTO pushes JACK off -- and runs over to GWEN.

IANTO

Oh God, what did she do?!

FX: As GWEN looks up, the ceiling panel opens -- and the steel arm begins to appear.

GWEN screams at IANTO.

GWEN

Switch it off!

IANTO

I'm trying!

He jabs at the buttons, trying to switch it off. But his look of fear is even greater than GWEN's.

More shock across the team's faces.

GWEN

Why didn't you tell us? We could have helped you.

OWEN

Bit of loyalty, perhaps?

IANTO

My loyalty's to her! She worked for Torchwood. She was caught up in battle. I owe it to Lisa -- WE owe it to her -- to find a cure.

JACK

Ianto, you have to believe me. There is no cure. There never will be. Those who are converted stay that way. Your girlfriend will not be the exception.

IANTO

You can't know that for sure.

JACK

You need to understand what's happening here. Because this is how these things start. Small decisions which lead to mass slaughter. These creatures regain a foothold by exploiting human weakness. Then they take a base. Rebuild their forces.

JACK

Nice decoy work.

OWEN

Thanks. I do my best.

GWEN, eyes locked with LISA's, jumps as, down below, LISA swings into action. And begins to march towards the walkway stairs.

GWEN

She's coming after us.

OWEN

Now there's a surprise.

GWEN

TOSHIKO catches it.

TOSHIKO

JACK

Something Suzie scavenged last year --
she claimed it could open any lock

WIDE SHOT: LISA stands in the middle of the Hub. Water gushes around her feet.

She surveys the body count: IANTO and JACK out of the equation. Then:

LISA strides through the Hub towards TOSHIKO.

TOSHIKO sees LISA coming for her -- the door won't open any faster. TOSHIKO pushes with all her strength! Creaking and groaning, the door opens a little more. Enough for TOSHIKO to squeeze through?

LISA's almost with her -- TOSHIKO tries to squeeze through -- agony!

TOSHIKO squeezes through the small gap in the rolling doorway -- grabbing the lockbreaker gadget as she goes.

TOSHIKO heaves the rolling door back, trying to close it -- God, this is agony for her, it's so heavy! And LISA's closing in!

LISA strides up to the gates -- throws them open -- gets to the door -- TOSHIKO desperately shoving at the door --

And just as LISA gets to it, TOSHIKO closes the heavy door! It clunks shut!

TOSHIKO places the lockbreaker on -- pushes an indentation on it.

TOSHIKO

Lock it!

PRAC FX: The lockbreaker beeps and glows orange. It's locked again.

Without warning, JACK turns back to LISA and douses her in liquid, firing it out of the squeezey bottle he grabbed off SUZIE's desk in Sc 81. LISA recoils momentarily, it's in her eyes, all over her.

In front of it, LISA lies dead on the floor.

IANTO runs to her lifeless body. Cradles it.

And the metal Cyber handles fall away from her head into his hands. In pieces. They've been sawn through.

Then IANTO pulls his hand away, from supporting the back of LISA's head.

Blood.

He pulls the other hand back -- the same.

IANTO stares at the blood on his hands. Completely traumatised -- in total agony and grief.

He lays LISA's body down, on the verge of tears now.

He stares at her. Sobs.

And a voice comes out of the room.

ANNIE (O.S.)

Ianto -- is that you?

IANTO looks up, terrified.

He scrambles to his feet. Backing off.

The door opens, to reveal:

ANNIE, the pizza girl, emerges. Still in her pizza delivery uniform. (Branded T shirt, neutral trousers)

She looks like the Bride of Frankenstein. A thick, bloody scar all around her head, like a saw has buzzed round and created a "lid". (Which, of course, is exactly what it's done.)

Her hair cropped in some places, long in others. Jagged, bizarre, a casualty of the process.

Dried lines of blood caked onto the sides of ANNIE's face.

But her eyes are burning, fierce and bright.

She walks towards IANTO.

ANNIE

It's me, Ianto. It's Lisa.

Close in on IANTO.

ANNIE (CONT'D)

I'm human again.

IANTO backs off. He fumbles for his gun.

ANNIE (CONT'D)

You fought so hard for me. I had to hold on for you. So I took this body and transplanted the brain.

IANTO

You're not Lisa.

ANNIE

You always said you didn't love me for what I looked like.

(Beat)

Last time you said that, it was a Saturday, we were hungover. You made cheese toasties, and moaned I hadn't descaled my kettle.

And this detail breaks IANTO's heart. He tries to hold on, to be strong.

IANTO

No.

ANNIE

That night we camped on the beach in Brittany. It got so freezing we wore our coats and shared one sleeping bag. When we woke up the next morning, a dog was pissing on the tent.

IANTO rooted to the spot, staring at her.

ANNIE (CONT'D)

Hold me, Ianto.

(Beat)

I need you to hold me.

(Beat)

I need you to tell me it's alright.

Shaken IANTO moves towards her. His hand tightens on his

101 INT. TORCHWOOD, THE HUB - DAY 4 101

Slow pan across the tidied-up Hub.

The lift doors open.

IANTO, tidied up, but a few bruises and cuts, walks through.

He stops. Looks around. Takes stock.

Sees JACK standing at the apex of the boardroom window.

Hold on the look between them for as long as possible.

Then IANTO nods.

JACK nods back.

GWEN comes to stand next to JACK in the window.

102 INT. TORCHWOOD, THE BOARDROOM - DAY 4 102

GWEN and JACK watch IANTO busy himself.

GWEN
You'd never have shot him. Not really. *

JACK
(cold, hard) *
Wouldn't I? *

This makes GWEN uncomfortable. She has to push it further.

GWEN
Would you have shot me? If I'd gone to stand by him?

JACK
But you didn't.

GWEN
If I had, though.

JACK
But you didn't.

Beat. They look at each other and then out at IANTO again.

GWEN
Will he stay?

JACK says nothing. Just remains looking at IANTO.

GWEN (CONT'D)
All that deception. Because he couldn't bear to live without her.

JACK remains silent. GWEN stares at him, recalling something IANTO said earlier.

GWEN (CONT'D)
So, have you ever loved anyone that much?

JACK stays looking out.

GWEN (CONT'D)
When she had hold of you... I thought, just for a moment, I thought maybe you could die after all.

JACK
Wanna know a secret? So did I.
(Beat)
And just for a second there, I felt so... alive.

GWEN stares at JACK. He looks out across the Hub. The conversation's over.

Right.

TOSHIKO

Nobody ever makes you a coffee.

Quick neutral smile and IANTO checks something on the computer. Blanking her.

And TOSHIKO tries harder.

TOSHIKO (CONT'D)

Doing anything...nice... for the weekend?

IANTO presses the entry button. Smiles his polite professional smile. Like she's never spoken.
