REX

Sure!

VERA JUAREZ

You should have died last night.  
But when this... thing happened, the  
Miracle, it gave me time. To fix  
you. Without the Miracle, you'd be  
dead.

Rex calmer now, but grim:

REX

It's like someone cast a spell over  
the whole world. But what happens  
when it stops? What happens to me,  
then? Do I die?

Hold the silence. Vera with no answers.

this off BABY ANWEN, laughing:

RHYS

Watch your mother, cos she cheats!

GWEN

How can I cheat, painting a wall?  
Only a man could turn it into a  
competition! Anwen, we outnumber  
him, two to one -

RHYS

- She just goes whoosh, one stroke,  
that's not even a proper coat -

A PHONE RINGS. A cell phone. Muffled. Ringing away.

Both stare. Then ACTION! Gwen drops the brush, flings  
herself at a chest of drawers, searches, frantic -

GWEN

Bollocks, bollocks, bollocks -

RHYS

It might be nothing!

Don't you though? Because I can guarantee, Mr Peterssen, when I talk of lawyers, I mean the team who will be suing the Governor, and I mean the Governor himself, not his office but the actual man, they will be suing him for wrongful imprisonment, I promise you sir, they will sue his ass to high heaven till the angels sing songs of him in their laments, is that clear?

MR PETERSSEN

Perfectly.

Then go tell him. Because with every passing second, that's a million dollars more. Thank you, Mr Peterssen. Thank you very much.

ARCHIVIST

Friedkin's office took all the Torchwood files. Cleared us out.

ESTHER

I know. He sent me, to double check. 'Cause files get left behind - especially if there's a hard copy inside an associated file, that sort of thing always get missed. I just need to check all the associations!

Okay.

She hesitates, expecting some help.

THE POLYMERIZATION OF ETHYLENE WITH 1,3-DIENE IN THE PRESENCE OF A CATALYST IS A COMPLEX PROCESS WHICH INVOLVES SEVERAL STEPS. THE FIRST STEP IS THE INITIATION OF THE POLYMERIZATION BY THE CATALYST. THIS IS FOLLOWED BY THE PROPAGATION OF THE POLYMERIZATION BY THE ADDITION OF ETHYLENE AND 1,3-DIENE TO THE GROWING POLYMER CHAIN. THE POLYMERIZATION IS TERMINATED BY THE DEACTIVATION OF THE CATALYST.

'Cause I was dead, now I'm not, and  
if that's got anything to do with  
Torchwood, or you, or anyone, then...  
It would help if I could hear myself  
think!!

Because for the second half of that speech, THE CLATTER OF A  
HELICOPTER has been getting louder.

Behind Rex, through the window, outside...

A HELICOPTER DESCENDING.

Rex turns, sees it. Gwen & Rhys staring.

REX (CONT'D)

RHYS

It's a tourist thing.

GWEN

The helicopter turns, so it's facing them side-on.

Its side-door slides open. Inside: a PARAMILITARY ASSASSIN.  
With a ROCKET LAUNCHER on his shoulder.

ASSASSIN'S POV: TARGET LOCKS on GWEN.

Gwen kisses Anwen's head, still & quiet:

GWEN (CONT'D)
